

MD

MEDIUM DUTY

MULTI-PURPOSE

EDGE[®]

INDUSTRIAL WORK GLOVES

48-305

EDGE[®] 48-305 industrial work gloves are an economical solution for medium weight leather or thick cotton gloves due to its seamless structure and palm latex crinkle coating.

EDGE[®] 48-305 industrial work gloves are the economical solution for medium weight applications requiring a good level of abrasion resistance along with a good grip in dry or wet environments.

EDGE[®] 48-305 is the economical choice for use in a wide range of handling and carrying applications. More durable than medium weight cotton or leather gloves.

Size 7 to 10, identified by overedge color code
