Twixer

TWIST and SHIELD

A new twist on spectacles, aside from rotational arms, it gives you extra space on your bag as you keep it.

Also available in gray lens

There is safety in every scenery

180 degree rotation arm

Non-slip rubber temple tip

Rotatable temples 180 degrees for easy storage purposes

Integrated nose pieces

Extended sideshield for excellent lateral protection

A BETTER WAY TO LOOK... A WHOLE NEW WAY TO SEE...

A new approach on safety glasses, TwiXer is a kind of spectacle that includes good protection with a twist. The temples are rotatable up to 180 degrees, which can fit on your pocket after usage. It is a feather-weight item, it is not bulky and it seems you are not wearing it at all. The cords are also included upon purchase. The extended sideshield is an additional safety protection. Hurry up! have a TwiXer with you!
