

Canasafe™

Protecting Eyes Globally, Envisioning the Future...

HaliTac is designed to feel as great as it protects with its high impact polycarbonate lenses and robust frame.

HaliTac™

"EYE ARMOR" For The Professional

www.canasafe.com

CanaSafe™

HaliTac "EYE ARMOR" proves tough doesn't have to feel tough. This styled eyegear blends the performance durability of retro safety with the comfort of "Touch Point" softness. A great combination that works for wearers and works for compliance.
