

LIFT

Spreader for NEWTON harness

Spreader for NEWTON harness (European version) allows upright descent (for confined spaces).

CARITOOOL

Harness tool holder

Mounts to the harness waistbelt slots or webbing, the CARITOOOL tool holder allows one-handed access, organization and sorting of tools. It is available in two sizes.

TOOLBAG

Tool pouch

The TOOLBAG tool pouch allows the user to organize his tools during suspended work. Cordlock allows the pouch to be closed easily during transport or when moving about. The pouch attaches easily to any type of harness. It is available in two versions: S (small) and L (large).

RING OPEN

Multi-directional gated ring

See page 92 for details on the RING OPEN gated ring.
