- Agriculture
- Construction
- Government
- Manufacturing
- Medical
- Municipal Services
- Pharmaceutical
- Transportation
- Utilities
- Nuclear

Hazards

- Airborne Particulates
- Biohazard
- Contamination

Regulations

- NIOSH 42 CFR 84

Historical Brand

Survivair

Warranty Information

Blower assembly — 6 months. All other parts including battery and charger — 1 year

Specifications

Facepiece Choice

- Survivair Opti-Fit or Survivair 4000

Battery Type

- NiCad — recharge 600 to 1000 times automatic resetting circuit protector (no fuses required)

Battery On/Off Switch

- Yes

Battery Water Resistant

- Yes

Battery Duration

- Up to 8 hours

Battery Charging Time

- 14 to 16 hours

Blower Life

- 1000 hour life - Field replaceable

Flow Rates

- Exceed NIOSH minimum requirement of 4 cubic feet per minute of air for tight fitting facepiece

Belt Material

- Polyurethane-coated nylon webbing

Power Cord

- Field replaceable power cord
