

HS SERIES – COMPONENTS

Model description, hood HS 10

- Heat protection hood with adjustable head frame for all sizes and built-in, gold-plated visor (exchangeable)
- The hood sits perfectly on the shoulders and has sufficient overlap with the jacket or overalls.
- Standard version in GLAPAN (for SILIPAN version please enquire)
- Optionally available with a quick-connect system for attaching to jacket or overall
- Combination: - We recommend the use of suitable breathing underwear (see Accessories)
- We recommend the combination with HS 10 jacket/trousers, overalls, leggings and gloves.
- Colour: Silver-aluminised
