

Kevlar® Sleeves

Superior mechanical protection
and cut-resistance

Complex Design

Automatic knit liner of 100% Kevlar® fibre.

Available in numerous weights, to give you the optimum balance of dexterity and cut resistance.

Recommended Usage

Heavy-duty handling and assembly applications in:

- Automotive sector production
- Sheet-metal handling
- Body assembly
- Machine tool operation

Comfort and sure grip

Constructed from high-tech 100% Kevlar® para-aramid

short fibres.

Exceptional cut resistance with dexterity

The 100% Dupont Kevlar® construction offers a very high cut resistance to weight ratio. The sleeves feature thumb slots, protecting the wrist area.

Packaging

12 pieces per polybag, 6 polybags per carton.
